### **DEPARTMENT REPORTS**

3:42pm - Counseling - Scott was asked to share for Bethany that there are no major changes at this time. There's talk about combining cohorts A & B to go to school together with the same bell schedule. If this does get approved, it would start at the beginning of April after Spring Break. Currently averaging a class size of 5 or 6 students so combining the cohorts would be feasible. Lyric asked if it would be mandatory for students to return to school. Scott said that he thinks it will be either full distance or attend on campus all 4 days. Lyric said she could see where some students might only want to attend 2 of the 4 days a week in person depending on class sizes, etc. It's a hard transition. She does feel that staying on the shorter hours per day is super helpful.
